1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE SPECIFICATION

In the first paragraph of the specification (which was amended on January 28, 2004), after "March 22, 2000," insert --now abandoned--; and after "November 19, 1997" insert --, now U.S. Pat. 6,293,911,--.

2. The following is an examiner's statement of reasons for allowance: The amendment above satisfies a requirement made by the Examiner in the previous Office Action and not acted on by Applicant. As to the claims, claims 35 and 52-76 were indicated as allowable in the previous Office Action. Applicant's arguments appearing on pages 20 through 24 of the remarks filed on September 27, 2006, in combination with the amendments made to claims 36, 40 and 77-83, are persuasive and place the remaining independent claims in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
